

## How to Join i-SWAM Webinar

1. Open <https://internationalswam.com/webinar-series>
2. Click the Webinar menu

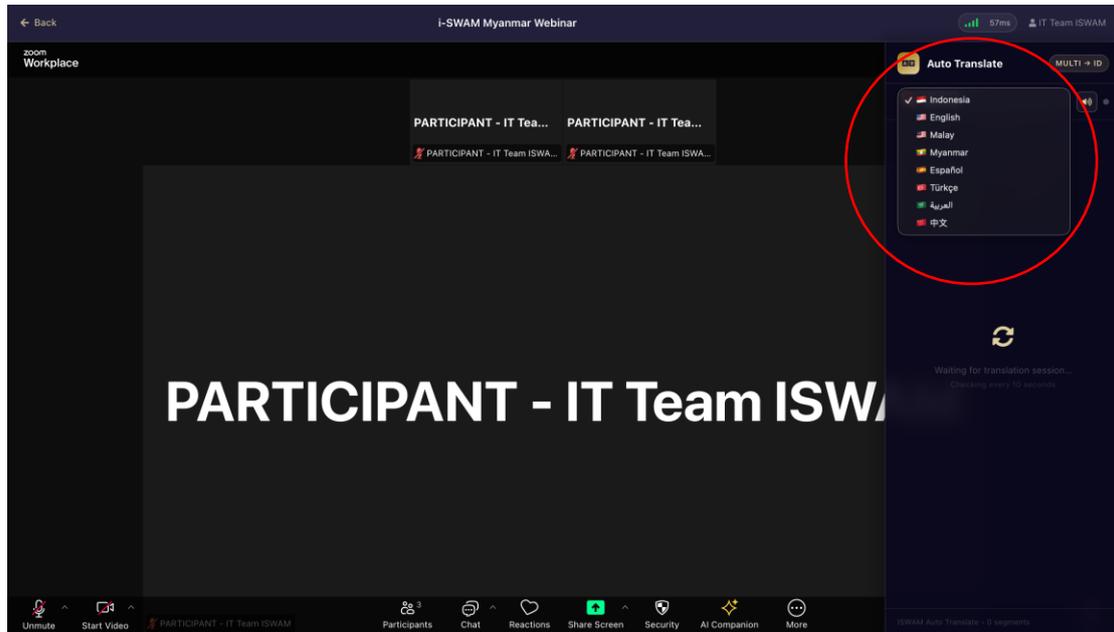

3. Then click Join Zoom

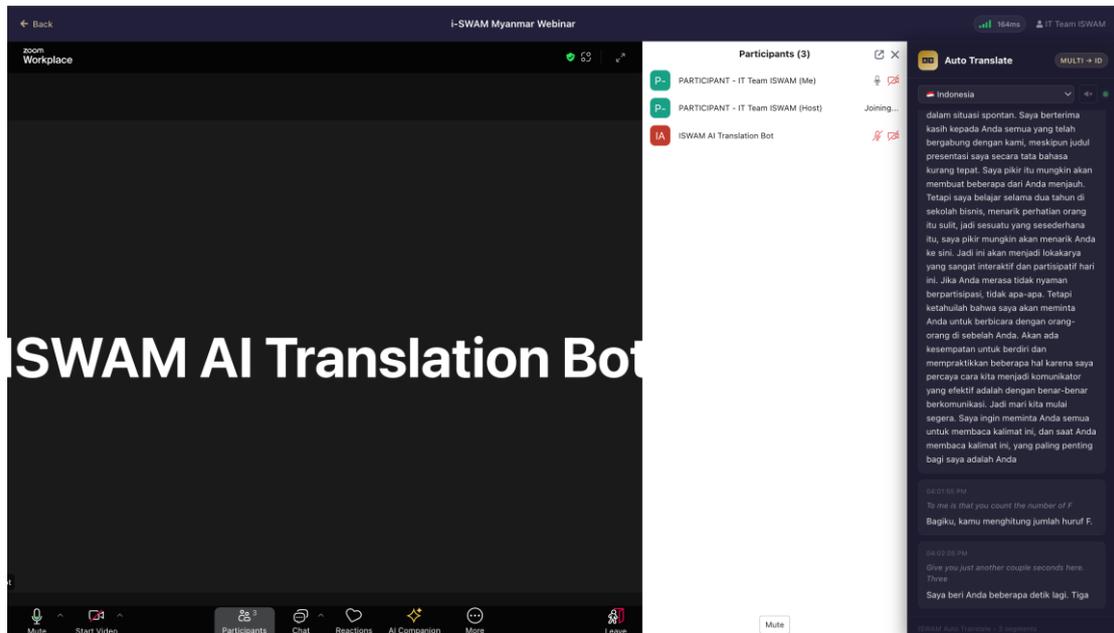

## AI Translation

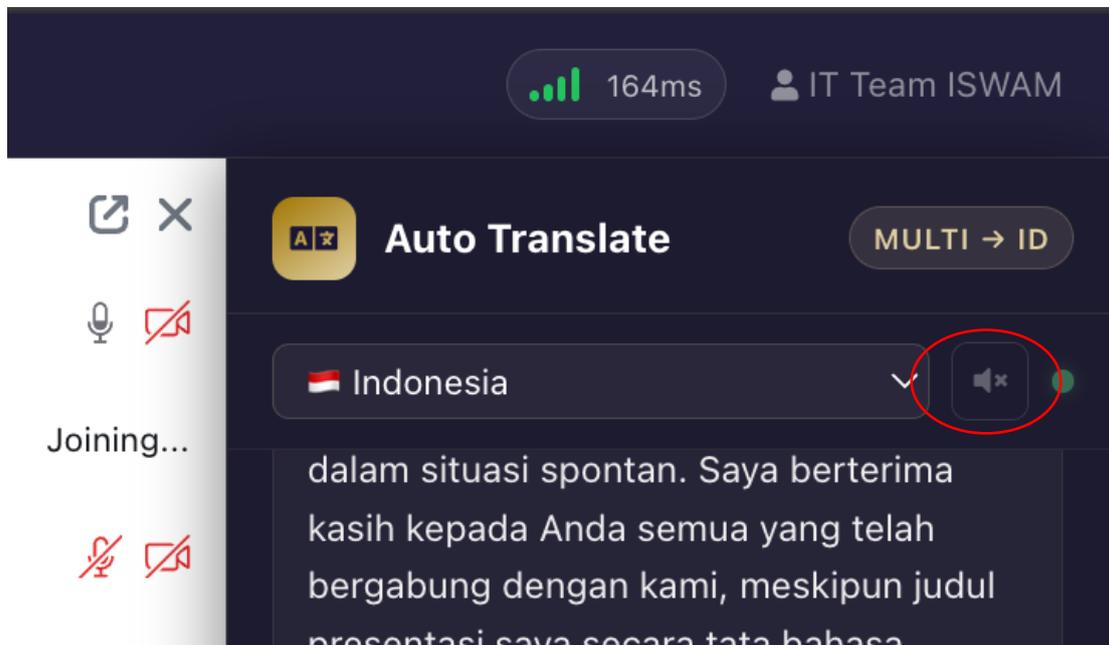

1. **Flexible Input Selection** – Users can use multiple input languages, with the ability to select individual output languages for translation.

2. **Auto-Translation** – The system automatically translates the selected content.

3. **Audio Control** – Audio output can be muted if it becomes disruptive or is not needed.

4. **Processing Delay** – There is a slight delay to account for translation processing time.
